- § Helium balloons
- § Souvenir bowling pin
- § Birthday party invitations

### **How much pizza is included in the price of the party?**

Pizza quantities vary by the number of children you expect to have attending your party. Most birthday parties have about ten kids. With this, you will receive one large pizza from Gionino's Pizza in Bedford. These are 10-cut pies, 16 inches in diameter with a single topping. Pizza orders are taken about 15 minutes into each party and the pizza should arrive at about the 60 minute mark.

### **What if I would like to order additional pizzas?**

With the pizza order being taken fifteen minutes into the party, you can order additional pizzas at that time. *The cost is \$12 per pizza* and the toppings are at your discretion. The cost of the pizzas will show as a line item on your final bill.

### **Can I bring in my own food?**

You may bring in a birthday cake, ice cream, or birthday treat. Chips or light vegetable trays are acceptable. You may not bring in full meals, such as hot dogs, chili, sandwich trays, etc.

### **Do you have a freezer for ice cream or an ice cream cake?**

Yes.

### **Is there a minimum or maximum number of birthday party attendees?**

The minimum is eight children. For parties over twenty people, we recommend changing to a different party package that will better facilitate your needs.

### **Can I bring in my own decorations?**

Yes. As part of the birthday party package, we provide plates, napkins, forks, cups, and table covers (literally all of your paper products) and everything carries a birthday party bowling design. If you have already purchased your own themed paper products, please let us know. Balloons are fine as well.

## About Your Birthday Party

---

### **I have a large number of adults attending as well as children. Can they bowl?**

Yes. Adults bowling with birthday parties bowl at a discounted rate with free shoe rental. The final bill of the adult bowling can be put onto the birthday party bill or assessed separately.

### **How much space is provided with each party?**

Unlike other bowling centers that shuttle your party off to a party room on the other end of the center, we keep everything close. Your food tables and your supply tables are located directly behind the lanes for your party. Typically, we provide seating for each of the birthday party bowlers and one six foot supply table. Should you need more table space, our staff will provide it for you at no additional cost.

### **Is there a deposit?**

Yes. We ask for a minimum of \$10, but you may put down more money if you wish to do so. The amount of the deposit is deducted from the final cost of the party. Should you decide to use a credit card to charge the deposit, the minimum deposit increases to \$25. As always, we ask that you make the deposit in person, particularly if you choose to use a credit card.

### **Are invitations included in the package?**

Yes. In exchange for your deposit, we will provide you with invitations to match the number of expected guests.

### **How do you determine the final balance?**

Final balances are determined by the number of birthday party bowlers attending your party, the day of the event. When making a reservation, we ask for a tentative number of guests. This allows us to allocate sufficient lane space for your party. For example, if you are expecting fifteen children, we will hold three lanes for your party. But if there are only twelve children in attendance, you will only be charged for those twelve bowlers that are attending the party that day.

### **When is the final balance due?**

The final balance is due by the end of the two hour party.

### **Do you accept credit cards or personal checks?**

Yes. Credit cards accepted here include Visa and Mastercard. Personal checks are no longer accepted.

### **Are there any other questions I should ask?**

We host between 100 and 150 birthday parties each year. Our staff is here to serve your needs and ensure that this party will be one of the most memorable birthday parties ever. We hope to hear from you soon.
